

SAFETY REGULATIONS

FULL SIZE, MINI AND TRUCK CLASSES

1. The front on the driver's side **MUST BE PAINTED WHITE**. All 4 tires must have a white X. The rest of the vehicle must be painted a contrasting colour. All vehicles must have a number painted on both front doors.
2. Seat belts and CSA approved helmets with working chin straps are required.
3. All glass, including headlights, taillights, mirrors, front windshield etc. and all wheel weights must be removed.
NOTE: This must be done before the vehicle is brought to the track.
4. Gas tanks must be removed! A 5-gallon tank must be secured in the back seat, but will not be allowed in the driver's compartment. It must be securely fastened down and an adequate fire shield provided. On pick-ups cut a hole in the box near the cab, and mount the tank securely to the frame.
5. No special bumpers or reinforcements allowed – all trailer hitches must be removed. 13" from bumper front.
6. Roll bars can be used if desired, not to exceed 3" in diameter.
7. Drivers may manoeuvre forward or backward and **MUST BE HITTING** at all times. Any deliberate hitting of the driver's side door may result in disqualification for the night.
8. All doors must be shut by wiring, strapping or welding; this includes station wagon tail gates.
9. Fenders and body may be removed for wheel clearance.
10. Batteries must be moved to front seat and must be securely fastened down and suitably shielded.
11. Drivers must not leave their vehicles unless told to do so by a steward and then only after the red flag has been displayed.
12. In the event of a fire or roll-over, stay off the track. A car that rolls is disqualified unless it is able to move.
13. No spring-jacks or blocked shocks. Suspension must be free of blocks. Hood & trunk lids must be operable; they may be wired but not welded.
14. All vehicles must have brakes before beginning of heat and when entering the ring.
15. There must be a 10" hole in the hood in case of fire and an air breather on the carburetor.
16. *A fully charged fire extinguisher must be mounted within easy reach of the driver while strapped into the driver's seat.*
If you do not have a fire extinguisher you will be disqualified.
17. No four-wheel drive vehicles.
18. No welding frames to reinforce. If the car is "used" and the frame has been bent, a repair patch may be welded.
Any welding done that the officials deem "reinforcement" may be disqualified.
19. Driver's door should be padded on the inside if possible.
- 20 **No persons under 14 yrs. old permitted in the pit area.**
21. **ADDITIONAL SAFETY RULES MAY BE IMPOSED AT THE TIME OF THE DERBY – IF THE JUDGES DEEM NECESSARY. THESE REGULATIONS MUST BE OBEYED BY ALL DRIVERS.**
